

Colin Avern – Community Governor Reaside Academy:

I am delighted to introduce myself to you as Chair of Governors at Reaside Academy.

I have been a member of the governing body at Reaside Academy since 2012 and this is now my fifth year as chair of the Local Governing Board.

The LGB works with the senior leadership team at the school to ensure that the education and experiences offered to Reaside Academy children gives them every opportunity to succeed and equips them with the skills and confidence required in the ever demanding world of the 21st century.

The journey that the school has been on in the last few years has been nothing short of incredible. We take incredible pride in the quality of teaching & learning that Reaside Academy has to offer. We will continue to work hard to ensure that every member of the Reaside Academy community, pupils, staff, parents, carers and governors feel valued and contribute positively to school life.

I am really excited about the opportunities that the school rebuild has to offer and the opening of the new school building in 2020 will mark another chapter in our school's journey.

As governors it is vital that we play a full and active role in supporting the school and I am committed to leading a governing body that is dynamic, forward thinking and shares the schools values and vision of '**Learning & Achieving Together**'.

We are always on the lookout for parents and carers who may be interested in becoming members of the LGB and if you would like to play a key role in the school's management I can be contacted through either Mrs Wiseman or the school office.

I look forward to meeting you soon.
