

Reaside Academy

Local Governing Board

2020-21 Vision Statement

Our vision for Reaside Academy is to be an outstanding school by supporting the key principle of **'Learning and Achieving Together'**.

We support the Academy ethos of setting high expectations and achievement with a strong emphasis on securing an Ofsted rating of **'outstanding'** at the earliest opportunity.

We will work with senior leaders to support the **Reaside Way** of **Communication, Pride, Respect and being Safe in my Choices**.

During this academic year our drive will be around supporting the redefined curriculum. The aim of the redefined (recovery) curriculum is to support children as they return to full time education, recognising the impact of the coronavirus pandemic, whilst ensuring that our children to have the requisite skills to be successful, independent and motivated learners in readiness for their next stage of education and beyond.

We recognise that each person is a valued individual with a positive contribution to make.

We Are:

- Ambitious for all our pupils and staff and we will have a positive relationship with leaders, staff and pupils to support the progress of all pupils and staff at the school.
- We recognise and support the importance of **well-being for both children and staff** at our academy and as governors we will fully support and actively promote all activity which promotes positive well-being.
- Working with local Schools Direct to develop teaching & learning in partnership with University of Wolverhampton Multi Academy Trust and the University of Wolverhampton.
- Working with key stakeholders to ensure that the new school delivers an academy which provides a lasting legacy for the community and its children.

We Will:

- Ensure that Safeguarding is effective and ensure that leaders & staff take appropriate action to identify pupils who may be at risk of neglect, abuse, sexual exploitation or radicalisation.
Our nominated LGB member for safeguarding and mental health wellbeing is Mr. Colin Avern
- Hold senior leaders to account for all aspects of the school's performance, including the use of Pupil Premium, Sports Premium and SEN funding.
- Hold regular meetings with subject leaders and phase leaders to gain a greater understanding of the **impact of the quality of education** at Reaside Academy.
- Meet the needs of all of our children through the principle of **'Learning Without Limits'**
- Work closely with parents and carers to ensure that we continue to provide excellent educational opportunities for all our pupils, ensuring that they have the best life skills possible.
- Commit to our own personal and professional development to ensure that the Local Governing Board is an effective component of the academy's daily life.
- Ensure effective financial management of the Academy whilst continuing to improve the facilities for the benefit of all members of the Reaside Family.
