

# Reaside Academy Local Governing Board 2018-19 Vision Statement

Our vision for Reaside Academy is to be an outstanding school by supporting the key principle of '**Learning and Achieving Together**'.

We support the Academy ethos of setting high expectations and achievement with a strong emphasis on securing an Ofsted rating of '**outstanding**' at the earliest opportunity.

We will work with senior leaders to create a culture of respect and tolerance in line with **British Values**.

During this academic year the drive will be around health, well-being, and physical fitness. This will include links with the University of Wolverhampton and will promote healthier lifestyles for all of our community.

We recognise that each person is a valued individual with a positive contribution to make.
