### The Open Doors Project

We run a range of fun outdoor activities for children in Birmingham with special needs and disabilities.

We use Birmingham's beautiful parks and natural areas to explore, play, and learn together. This year we have visited donkeys, been on minibeast hunts, watched birds, and explored forests!

Know a child aged 4-11 who might be interested? Find out more on our website.

## Reaside Academy Ambassadors

The Ambassadors at Reaside Academy must lead by example at all times in their behaviour, the respect they show to others and their school uniform. An Ambassador's role is varied and to be awarded a school Ambassador badge is considered to be a real privilege.

### Why we have School Ambassadors at Reaside

As part of our citizenship education, we believe that children need to experience duties and responsibilities that come with being a member of a community in order to help them prepare to play an active role as citizens. At Reaside Academy, we believe that Ambassadors have a very important role to play in the day-to-day organisation of our school and as only Year Six pupils are allowed to apply for this position, it is considered to be very prestigious. The position not only allows the Year Six pupils to lead by example and demonstrate their responsibility, it also enables the younger children to learn from a good example. Ambassadors are responsible for supervising younger pupils at break times / lunch times and undertaking various duties in and around the school. Through their duties they develop such skills as assertiveness, punctuality and responsibility.

### The Ambassador role is:

- to act as a role model for pupils and promote the ethos of Reaside Academy, relating to behaviour, uniform and attitude;
- to maintain the standards, duties and responsibilities of a Reaside pupil;
- to monitor children around school, for example, when putting lunchtime equipment away or coming in from break/lunch;
- to attend all meetings with the Ambassadors as required;
- to ensure all school rules are adhered to at all times by all pupils;
- to help set up the hall for assemblies (chairs, ICT equipment, music etc);
- to meet and greet parents and visitors as needed.

In addition to this, Ambassadors will be assigned to a class in which they will:

- support during assemblies by rewarding great behaviour;
- support during Parent Sharing events;
- help teachers during wet break times.

Providing Ambassadors are wearing their Ambassador badge, they will be able to get into lunch first every day.

### Congratulations to our new Ambassadors 2019

Emily T, Oliver M, Ruby S-D, Jay W, Emmie-May, Fatima S, Mia M, Jaymee-Leigh, Jessica W, Leah H, Jayden C, Callum M, Lola M, Denver B and Molly F. We are so proud of you all!

### Safer Internet Day on - Wednesday 6th February 2019

The campaign's slogan, "*Together for a better internet*", encourages everyone to join together and play their part in creating a better internet for everyone, and especially for younger users.

Safer Internet Day is organised by the joint Insafe/INHOPE network, each February to promote the safe and positive use of digital technology, especially among children and young people. Celebrated on the second day of the second week of the second month, each year on Safer Internet Day millions of people unite to inspire positive changes online, to raise awareness of online safety issues, and participate in events and activities right across the globe.

Safer Internet Day aims to create both a safer and a better internet, where everyone is empowered to use technology responsibly, respectfully, critically and creatively. The campaign aims to reach out to children and young people, parents and carers, teachers, educators and social workers, as well as industry, decision makers and politicians, to encourage everyone to play their part in creating a better internet. We are all looking forward to finding out more very soon!
