Why do we lose control of our emotions?

Answering the Question "Why Do We Lose Control of Our Emotions" is a key first step in helping kids understand their emotions. This video from Kids Want to Know is a great explanation for kids and adults of how emotions get out of control and how our brain reacts when they do. Please use the link below:

Drop in service every Wednesday morning

The SENDCo, Mrs Lawrence, works in school every day, and offers a drop in service on a Wednesday morning from 9-9.30am. Please feel free to call in or make an appointment through the office. She is available at other times in the week, if Wednesday morning is not convenient.

Save the Children

Christmas Jumper Day

Millions of people just like us pulled on a festive sweater to help create a brighter future for children. We played our part - wearing our woollies responsibly and raising a tree-mendous £239.66 for children. This will help to bring essential food, healthcare, education and protection to children around the world who are missing out.

We now have a certificate in school in recognition of our fantastic fundraising. Many thanks again!

Jodie Caller visits Reaside

This week we were really lucky to have Jodie Caller, a Judo athlete who has won several gold medals in various British and European championships. She shared some stories of her training regime and her struggle through injury which showed her how important it was to continue with school studies alongside her judo career. Thankfully, she is fully recovered and training hard. Watch out for her in the next Olympics! If any children are interested in trying out Judo please get online to www.britishjudo.org.uk/club-finder/ to see where the nearest club is to you.

We're promised the diggers will be coming soon to Reaside Academy!

Terry Marsh (the man in the centre of the photograph) is our Project Manager from ISG. The paperwork and inspections are nearly over. We are now looking forward to welcoming the diggers on site soon. Thank you for your continued support.

Internet Safety Day at Reaside Academy

On Wednesday 7th February, Reaside took part in National Internet Safety day. Year 5 started the day by delivering a short performance regarding E Safety. Thank you for all the parents and carers that came to watch the children, it means a lot to them.

Throughout the day, everyone took part in a wide range of informative e-safety activities around asking and giving permission when it comes to activities online, with the overall theme 'Together for a better information!'

Remember SMART; Stay Safe, don't Meet up, do not Accept any messages, Remember not everything is Reliable information, and finally Tell somebody if you are upset or worried.

Safeguarding reminder: Remember to report any safeguarding concerns to the Birmingham CASS Team 0121 303 1888.
