REASIDE VALUE

Being open, honest and truthful

Year 6 visit the Severn Valley Railway

On Wednesday 9th October, Year 6 enjoyed a fantastic day out at the Severn Valley Railway education centre. They were greeted by staff, who in character 'evacuated' them to 1940 to teach them more about what life was like for children at this time. Each group completed three workshops, including visiting a real Anderson shelter in the morning session, and finished the day with a fire fighting session and tour of two of the most famous trains in their collection. The children learned a lot and represented Reaside brilliantly. Well done!

POLICE in the area

Please be aware of where you park. Tickets will be issued to parents who park irresponsibly.

Mobile phone reminder

There has been an increase in the amount of children bringing their mobile phones into school. Children **must not** bring their mobile phones into school unless they are walking home without an adult after school.

PE REMINDER

Please make sure your child brings into school pumps and shorts, the school will provide the house team t-shirts. For more information about our P.E days for your child's class, please discuss with their class teacher.

Welcome to our new staff governor - Mrs Slater

I am pleased to introduce myself as a member of the LGB, in the capacity as a 'Staff Governor'. I joined Reaside in April 2017 as a teacher and taught in year 4. Since then I have taught year 3 for two consecutive years and I am currently a year 5 teacher. As well as class teacher, I am the Social Science lead, leading History and Geography across the school and I work closely with a number of children from different classes who are our Eco Warriors.

I am looking forward to the opportunities and insight which being a member of the LGB can offer; building an understanding and appreciation of how the school is run. I am currently part of the 'Staffing and Finance' committee and 'Curriculum, Quality and Standards' Committee as well as the full LGB meetings.

Road Safety

Robert Johnson, HSQE Advisor from ISG came into school on Monday to share a very important message about 'Road Safety'. Some of his important messages included how to stay safe when you walk to school, they included:

Your journey to school - Walking

- Always use the footpath, where available.
- Walk on the inside of the footpath, away from the edge of the road.
- If there is no footpath available, walk on the right hand side of the road, facing oncoming traffic.
- If you have to cross any road, use the Green Cross Code.

Your Journey to School - Car

- As a passenger in a car - always wear a seat belt.
- If you are under 135cm tall, make sure you are sitting on the correct child seat.
- Always get in and out of the car on the pavement side (or grass verge).
- Don't distract the driver!

Your Journey to School - Bus

- Before the bus arrives, wait in line.
- When the bus stops and the door opens, don't push those in front of you.
- Store bags and equipment safely.
- Sit down on a seat and if a seat belt is available, put it on.
- Never distract the driver!
- Wait until the bus stops before leaving your seat to exit the bus.
- Do not start to cross the road until the bus has moved away and you can see clearly in both (or all) directions.

He summarised by reinforcing how to keep safe and others safe by practising good road safety habits. Use the Green Cross Code. Wear something bright, fluorescent (by day) and reflective (by night). Wear your seat belt when travelling in the car. Ensure you wear a properly fitted helmet when riding your bicycle. Always expect the unexpected. Never take risks as a pedestrian, passenger, or cyclist. Mr Johnson left our school saying "...it was a pleasure to present to such a polite, astute and well behaved group of children." Well done everyone!

Reminder - School dinner/trip payments

When handing in school dinner money and/or trip payments, please could you make sure that it's the correct change and in a sealed envelope with your child's name and class written on it. Thank you
