RE Day - Buddhism

Last half term our RE focus was Buddhism, and to launch the day we had two Buddhist visitors. The children were then able to attend workshops throughout the day and deepen their understanding of the religion. We spent a whole day learning all about Buddhism and each year group focused on something different. Year 3 worked together to create their own role play, including their own scripts, costumes and props which they performed to each other and the whole school in assembly. Year 4, 5 and 6 shared their learning through stories, poetry and art using a variety of materials. Some children from year 4, 5 and 6 also presented their learning to the whole school in assembly. Overall, it was a very busy and exciting day, and hopefully enjoyed by all!

Year 3 visit the Birmingham Museum and Art Gallery

Year 3 had a fabulous time at the Birmingham Museum and Art Gallery. We started by attending an art workshop where the children learnt about typical pottery and art styles from Ancient Greece. They then created animal paintings similar to the styles they had been learning about. The children then had the opportunity to explore the galleries looking at artefacts from many thousands of years ago as well as some more modern exhibitions. It was a great day and they all behaved beautifully. Well done everyone.

Halloween Disco

A massive thank you again to our PTA members for organising our fantastic Halloween disco. You can see from our photographs that all our children (and adult helpers) enjoyed themselves!
