## Whole School Museum - Thursday 12<sup>th</sup> December

We would like to invite you to visit Reaside Academy's first ever Whole School Museum. This will be an opportunity for children across the whole school to exhibit their learning linked to their Themes this term.

Your child's year group area will be transformed into an exhibit space to showcase their learning. You will be able to visit other year groups to see how learning is developed across the school.

The museum will run between 1.45pm and 3.15pm. The back gate will be open from 1.45pm until 2pm (if you arrive after that window of time, please enter through the front office). The gate will re-open at 3.15pm for the end of the day.

If you wish to leave the museum and would like to take your child with you, we are happy for you to do this after 2.15pm, after you've had chance to look round the museum.

If you would like to know more information about the museum, please talk to your child's class teacher.
