- Friday lunchtime 12.30 – 1pm – Dance **Invite only**

Values and Achievements of the week

Class	Achievement of the week	Value of the week
3D	Alfie S	Medina I
30L	Fendi S	Cierra W
4K	Layla S	Ellie B
4E	Emran L	Charlie D
5S	Amarah A	Logan R
5FW	Isabel B	Harrison B
6B	Tilly D	Azariah H
6R	Blnd S	Josh V

Awards assembly starts at 2.10pm every Friday.
Please enter school from Tresco Close –Thank you

The Reaside Way:
Communication – Pride – Respect
REASIDE VALUE: Expressing joy
Welcome back and welcome to our new school!

Reaside would like to warmly welcome you back after the Christmas holidays, we hope you had a great time. All children have settled into the new building so well and we would like to take this opportunity to thank parents/carers for your ongoing support whilst the building was being completed. A letter has gone home this week inviting parents/carers to come in and have a look. We look forward to showing you around!

Important date change

The A-Life session is now on Thursday 12th March and not the 19th March (as per the sheet recently sent out). Thank you.

Reaside Christmas Production

Thank you to all parents/carers who joined us for the Christmas Production. The children worked so hard practising their songs for the production and what a great event it was!

Pop-up Museum

On 12th December 2019 we hosted our first ever Whole School Museum. Children across the whole school had the opportunity to exhibit their learning linked to their Themes for that term. Each year group area was transformed into an exhibit space to showcase their learning. We hoped you all enjoyed it and had the chance to see how learning is being developed across the school. The children had great fun getting creative in their year group area and showing off all that they had learned to our visitors.

Road Awareness

How can you do your bit to make it safer outside school?

You can help by... 1. Keeping your speed low 2. Always letting your child out of your vehicle on to the pavement - never on to the road 3. Checking for pedestrians and cyclists before you or your child opens the car door 4. Setting a good example to your child 6. Parking further away from the school to reduce the congestion.

Please don't... 1. Block the road - emergency vehicles and other traffic may need access 2. Park on yellow lines, zig-zags or block the school entrance 3. Park on the pavement, across dropped kerbs or residents' driveways 4. Leave your vehicle with the engine still running 5. Stop in the middle of the road to drop your child off, even for a few seconds. All the above can result in a penalty charge notice being issued (**police will be observing parking carefully, with unannounced visits planned over this term**).

Have you thought about... The health benefits of walking or cycling one (or more) days a week? Setting up a walking bus with other parents and the school? Car sharing? Using public transport? Parking nearby and then walking the rest of the way?

These changes make a real difference to the congestion around schools, making the school run less stressful and far safer for everyone. Not only that but they will help your child's education. Research has shown that children who walk or cycle to school are more receptive to learning at the start of the school day than those who travel to school by car.

Year 3 A-Life Fitness workshop....coming soon to Reaside!

On 12th March 2020 we have an organisation called A-Life coming to deliver a fun-packed, non-stop, sweat inducing session that motivates pupils to understand that keeping active is a vital part of staying healthy. Their aim is to encourage children to choose active lifestyles and to help them realise that being active and doing exercise can be a lot of fun. Each year group will have an hour session.

Year 5 and 6 will also have the opportunity to take part in a drugs and alcohol awareness session - this is to delve into the issues around the dangers and health problems associated with drugs, alcohol and smoking.

For further information regarding what's going on at Reaside Academy, please visit our website - www.reasideacademy.co.uk Follow us on twitter
