Road Awareness

How can you do your bit to make it safer outside school?

You can help by... 1. Keeping your speed low 2. Always letting your child out of your vehicle on to the pavement - never on to the road 3. Checking for pedestrians and cyclists before you or your child opens the car door 4. Setting a good example to your child 6. Parking further away from the school to reduce the congestion.

Please don't... 1. Block the road - emergency vehicles and other traffic may need access 2. Park on yellow lines, zig-zags or block the school entrance 3. Park on the pavement, across dropped kerbs or residents' driveways 4. Leave your vehicle with the engine still running 5. Stop in the middle of the road to drop your child off, even for a few seconds. All the above can result in a penalty charge notice being issued (**police will be observing parking carefully, with unannounced visits planned over this term.**)

Have you thought about... The health benefits of walking or cycling one (or more) days a week? Setting up a walking bus with other parents and the school? Car sharing? Using public transport? Parking nearby and then walking the rest of the way?

These changes make a real difference to the congestion around schools, making the school run less stressful and far safer for everyone. Not only that but they will help your child's education. Research has shown that children who walk or cycle to school are more receptive to learning at the start of the school day than those who travel to school by car.

Year 3 Trip - The Botanical Gardens

Last week year 3 had a wonderful trip to The Botanical Gardens, where we spent the day learning all about plants to introduce our new science topic! We had a fantastic time taking part in practical activities to help our learning. We also had the chance to hold some pretty scary creatures, including snakes, giant snails and all kinds of reptiles! We were so brave! We ended the day with a walk in the rain exploring the beautiful gardens.

Art Ambassador training

On Monday, Mrs Kavanagh accompanied Emily, Brooke and Harmonie to Albert Bradbeer for their Art Ambassador training. They looked at how vast an area of subjects are encompassed by the Arts from the expected painting and drawing to animation, music, comedy, opera, graphics, dance and film. They explored how their role could be used within our schools and drew up an action plan to bring back and work with Miss Edwards to implement their ideas. They even did an amazing 30 second presentation as to why Reaside should receive funding to develop The Arts within school. They were brilliant and were rewarded by a massive round of applause and very positive comments from all other participants. I am really looking forward to seeing their ideas and enthusiasm come to fruition and develop the Arts within Reaside.
