Do you want to meet with other parents and learn more about local and national services and what they can offer?

Do you want to feel more confident about working with practitioners and making decisions about your child's journey?

We warmly invite you to a series of workshops that have been written by and are led by trainers who are parent/carers of a child with additional needs themselves.

These workshops are for parent/carers of children and young people of any age, with any additional need, following diagnosis. They are an attempt to support parent/carers through times of change and at whatever stage of the journey participants may find themselves.

Malvern Outdoor Centre

Wow!!! What an amazing few days we have had on our residential to Malvern Boundless Outdoors. Each day was jam packed with numerous activities such as - walking between trees on the high bridges, crawling through pitch black tunnels under ground, walking up to the Beacon (up the highest hill in Worcestershire), orienteering and the zip wire, as well as many more. The activities were all lead by exceptional activity leaders who took their time to get to know the children and form a good bond. But what made this experience so amazing was the children. They all pushed themselves to their limits and showed great resilience and team work. It was wonderful seeing their confidence grow daily. It was also commented by many of the activity leaders what an exceptional group of children they were and they really were a credit to Reaside. Myself, Miss Talbot and Mrs Livadiotis couldn't have been prouder!

Well done Daisy B!

We are really proud of our pupil, Daisy B for donating her hair for such a good cause. Please follow the link below to see more information on Daisy's journey. Well done!
