Values and Achievements of the week

Class	Achievement of the week	Value of the week
3D	David O	Ryan C
30L	Caiden R	Stephanie M
4K	Jacob R	Aqeil H
4E	Dler O	Jack C
5S	Nathaniel C-H	Joseph S
5FW	Joshua S	Summer A
6B	Ben T	Owen K
6R	Gracie-Mai F	Harvey J

Awards assembly starts at 2.10pm every Friday.
Please enter school from Tresco Close -Thank you

The Reaside Way:

Communication - Pride - Respect

REASIDE VALUE:

Being inclusive

World Book Day - 5th March 2020

To celebrate World Book Day, the children at Reaside dressed up as their favourite fiction characters from children's books today. Thank you to all children who joined in, they looked fantastic in their costumes!

Polite parking reminder to all parents

If you drive to school and park within the close, could we please ask that you park sensibly and considerately. There should not be any cars parked on the yellow markings outside school at any point. Those markings are there for the safety of our children. We appreciate parking is limited and advise if possible, parents and children walk to school.

Children absence reminder

Please remember to report all children's absence to the main office. Without a reason for your child's absence, we are unable to authorise this. We ask that for any medical appointments, we have a copy of the appointment letter. Thank you

Safeguarding reminder: Remember to report any safeguarding concerns to the Birmingham CASS Team 0121 303 1888.

Congratulations Mrs Mazur!

We are so proud of Mrs Mazur, who came second in the Cityserve employee of the month. The Senior Management Team at Head Office had a really difficult task of identifying which of their 2000 colleagues would win the trophy.

After some considerable time and weighing up all of the supportive information provided by our Catering Supervisor (Mrs Prosser), who commented: *"Mrs Mazur is a fantastic, very hard working General Assistant, she's great to work with and nothing is ever too much trouble for her, she will help out in anyway she can. She has worked with the catering team for the last three years and with the school for twenty years, she has a great relationship with the children and does her very best for them."*

Mrs White, their Commercial Field Chef also commented: *"We think Mrs Mazur is fantastic, she goes above and beyond every day, she is a great asset to Cityserve and has a passion for food and what she does and we love working with her, she is a true star"*

Her hard work and commitment to health, safety and well-being of the children at Reaside Academy has been recognised...Congratulations from everyone here at Reaside!

Public information - Coronavirus

Public Health England

Advice on the coronavirus for places of education

How serious is the coronavirus?

- It can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

<p>If you need to cough or sneeze</p> <ul style="list-style-type: none"> Catch it with a tissue Bin it Kill it by washing your hands with soap & water or hand sanitiser 	<p>You should wash hands with soap & water or hand sanitiser</p> <ul style="list-style-type: none"> After breaks & sport activities Before cooking & eating On arrival at any childcare or educational setting After using the toilet Before leaving home
--	---

Try not to touch your eyes, nose, and mouth with unwashed hands.
 Do not share items that come into contact with your mouth such as cups & bottles.
 If unwell do not share items such as bedding, dishes, pencils & towels.

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [NHS.UK](https://www.nhs.uk) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See [NHS.UK](https://www.nhs.uk) for advice on coronavirus.

If there is an emergency, call 999 immediately

HM Government

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours. To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.

Find out more at [gov.uk/coronavirus](https://www.gov.uk/coronavirus)

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

NHS
