

Learning at home

During recent weeks, we've received lots of pictures and examples of the work/activities children have completed at home. We wanted to share with you some positivity during this time and hope you are all keeping safe and well.

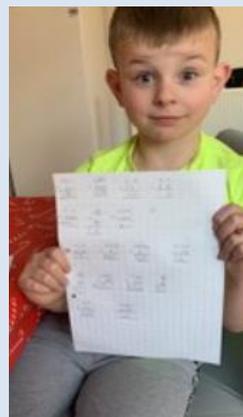

Harrison B has been busy this week with English, Maths and P.E (even Harrison's dog took part in Joe Wicks P.E session).

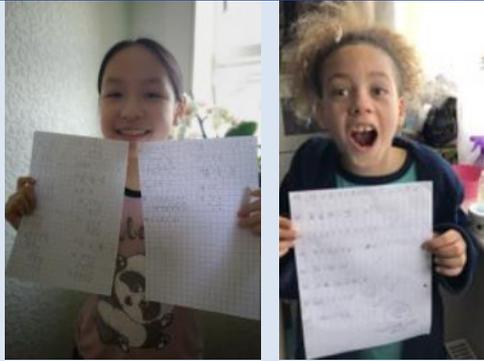

Elizabeth G started to get creative and has been learning how to cook. Yummy!!

Oliver B decided to get creative in the garden by making this cool 'Bug Hotel'.

Lee-John D has also had fun working through some maths tasks and of course a spot of P.E to keep active.

Emily W and Logan R have both really enjoyed doing their Maths work this week.

Mia P had fun drawing a map and writing up about the history of her local surroundings. Mia wrote about the type of house she lives in, the age, size and also the street where she lives. She then described what she could see from her home and included a history of her local shops. Well done Mia!

We would like to take this opportunity to thank parents/carers for their continued support during this time of uncertainty and hope you are all safe and well. Well done to all of the children at Reaside for continuing to work hard and participating in lots of activities at home. Keep it up and we look forward to more photos of the activities you are taking part in.

Safeguarding reminder: Remember to report any safeguarding concerns to the Birmingham CASS Team 0121 303 1888.
