

The Reaside Way: Communication - Pride - Respect

Year 6 Learning

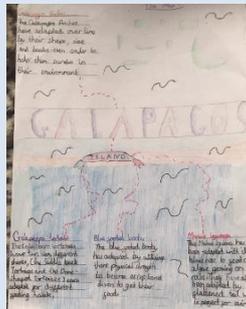

6R have adapted quickly to a very different way of learning, taking to numerous online platforms to submit their work. It has been fantastic to see pupils still working hard, many already having surpassed the targets they were set in either the number of correct answers submitted or advancing their reading level.

We have begun to really utilise our class blog on Purple Mash, and are looking at ways to set up a virtual talent show in the coming weeks! Watch this space!

This week Michael S has been busy with Spelling, Literacy and Maths work.

Alfie J has been revising and practicing SATS questions this week.

This is Gracie-Mai F Theme work, looking at the discoveries made by Charles Darwin when he went around the world onboard the HMS Beagle

Year 5 Learning

Ruby-Leigh Y has been keeping fit at home and researching graffiti work this week as part of a topic Year 5 are studying. Ruby took time to create a very colourful poster for all 'Key Workers' which she has placed in her window at home.

As part of Year 5's homework, the children were asked to create their own dream home. They look fantastic!

Here is some more excellent work produced by some of the children in 5FW.

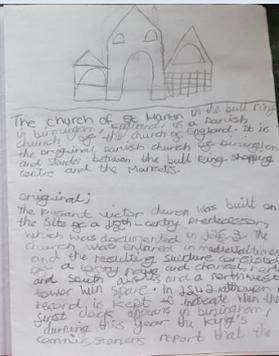

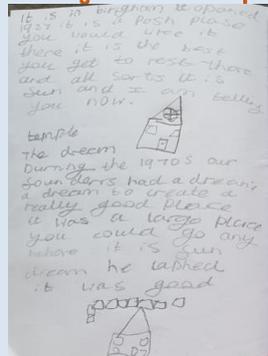

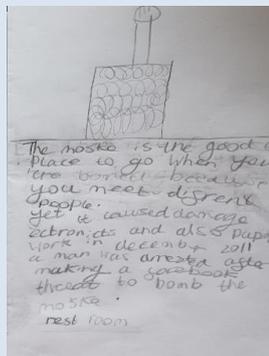

By Harrison B

By Lenny G

Year 3 - Places of Worship

As part of the Year 3 topic, Mia P wrote about the local places of worship. Her write up included a Mosque and a Church and she wrote about the history of the buildings.

A BIG thank you

We would like to say a huge thank you to all parents/carers for their continued support and well done to all children who are continuing their learning at home. Please stay home and stay safe.

Safeguarding reminder: Remember to report any safeguarding concerns to the Birmingham CASS Team 0121 303 1888.
