The Reaside Way: Communication - Pride - Respect - Safety

Safeguarding reminder: Remember to report any safeguarding concerns to the Birmingham CASS Team 0121 303 1888.

REMOTE LEARNING

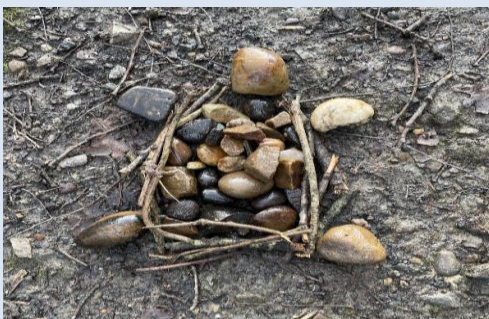

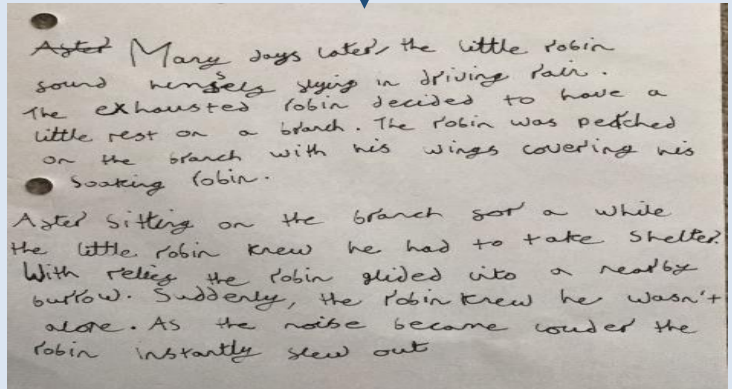

Please see either the step by step videos OR the leaflet on the news feed on Class Dojo. This will show you how to access your child's portfolio to see the work set by class teachers.

Should you need any support, please do not hesitate to get in touch, either telephone us on 0121 675 7235, email enquiry@reaside.uwmat.co.uk or message your child's class teacher on Class Dojo.

YEAR 4 LEARNING Year 4 have also been writing a story called 'The Robin'. They have worked hard thinking about some amazing vocabulary to use in their writing.

Joseph in 4S made a great musical instrument for our science lesson about sound.

Year 4 have been on the search for twigs, leaves and stones to then make their own stick creatures. Check out Joel's turtle.

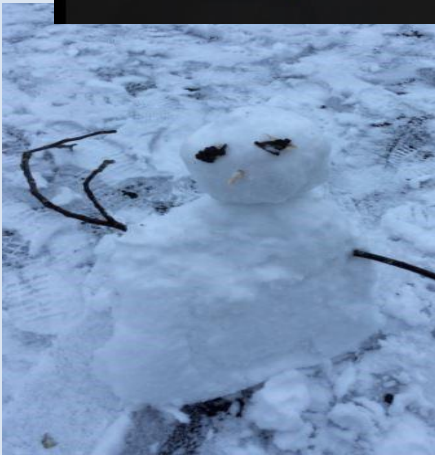

Georgia in 4K made her own instrument as part of Years 4's 'Sound' topic. Jacob in 4K also made a fantastic guitar. Well done Year 4.

A BIG thank you We would like to say a huge thank you to all parents/carers for their continued support and well done to all children who are continuing their learning at home. Please stay home and stay safe.

Harrison Bk in Year 6 certainly has an artistic flare. Just look at his brilliant digital art image of a bird!

Year 3 had a wonderful time playing in the snow last week, we even made a miniature snowman.

The Y3 bubble were creating black and white snow landscape pictures using chalk. Then we went scavenging for twigs to add a 3D element to the pictures. We think they look GREAT!
