## Dates for the diary

School closes on Wednesday 21<sup>st</sup> July for the summer holiday.

## Reporting your child's absence

If your child is absent from school, you are responsible for reporting your child's absence to the school office on 0121 675 7235. If you do not report your child's absence this could result in their absence being unauthorised which could potentially result in penalty notices and prosecution in court.

## IMPORTANT REMINDER - ARRIVAL TIMES

Year 5 & 6 children should arrive at school between 8.40 and 8.50am. Year 3 & 4 children should arrive between 8.50 and 9am. If your child is in Year 3 & 4, please DO NOT arrive any earlier than 8.50am. Staggered timings have been put into place to keep children, parents/carers and staff safe. If you do arrive a minute or two earlier, we ask that Year 3 & 4 wait on the opposite side of the road to allow Year 5 & 6 to come through safely without any congestion. Thank you

**Polite parking reminder:** Please don't risk our children's lives....No waiting, no parking, no excuses. Please park safely and legally, the yellow zig-zag lines are there for a reason. Thank you

## Year 3

In Theme this week, children in Year 3 have created amazing leaflets showcasing all their knowledge about the Stone Age. This week, Year 3's science lesson involved studying different types of soil up close using a mini magnifier, and then recording notes on their observations. They learned that the soil around our school has a lot of clay in it. They also began to learn about how soil is formed over time.

## Year 4

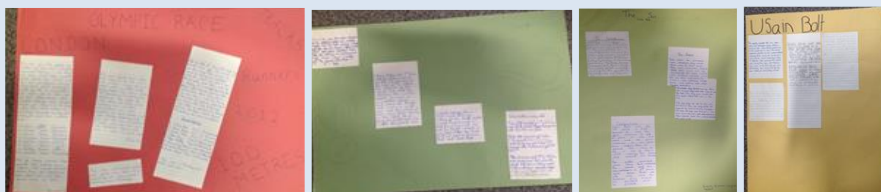

Year 4 have spent time in Theme this week completing our rivers and labelling them with the correct vocabulary. We have also written definitions of what each label means as well as presented our rivers to the rest of the class.

## Year 5

During Art this week in Year 5, Evelyn J has recreated a part of Lowry's work and Tyler H has drawn the Reaside Academy playground in the style of Lowry. The children will be painting their drawings next week.

## Year 6

Year 6 have worked collaboratively this week to compose reports as an introduction to our new English learning journey. They drafted and redrafted before making their final edits to 'publish' their work. The children really enjoyed working in a different way and having the opportunity to share and develop each other's ideas.

## Forest School

The children found an old map, the Forest fairies had left out for the children to see how "Reaside Forest" looked many years ago. This was introduced as a method to get children to respect the area and fire circle a little more. It was wonderful to see their imaginations ignite! Lots of free play along with a task correcting differences on map.
