

Reaside Academy Newsletter

29th April - 12th May 2022

Message from Mrs Carrier

As ever, it was wonderful to welcome you all back after a holiday. We hope you had a restful Easter, and are all ready for a busy summer at Reaside!!! With lots going on both in and out of school, please make sure you keep up to date with reading our newsletters, Class Dojo, and letters and messages sent out via mail or text

Attendance

At Reaside, our attendance target is 96%.

Best class attendance
Week ending 29th Apr: **3M with 99%!**

Office Messages

ABSENCE: If your child is absent, you must call the **school office** to let us know for each day of their absence. The office is staffed from 8am, but if we cannot take your call, please leave a message.

Reminders

P.E: *Correct school P.E. kit is expected to be worn on your child's day.*

Monday – Year 3 Wednesday – Year 4
Thursday – Year 5 Friday – Year 6

Forest School: Tuesday - Year 3

Children should attend school in appropriate clothing for Forest School, i.e. being outdoors/the weather

Arrival/Collection: 8.50am start for all children

What we've been up to...

Follow us on Twitter  for more: @reasideacademy

Year 3

Great first day back after half term in Forest School Reconnecting children with the space by doing a "barefoot" walk and playing "spot the difference" They had fantastic eagle eyes, even spotting that the clay was cracked and different. Children also used the tools to recycle old decking to make planters ready to fill next week.

3M	Sofia	Jazmin
3OL	Jayden	Lily

Year 4

Year 4 have started reading a new book in English called 'The Wild Robot'. It is a lovely story about a robot who is the only survivor on a ship during a storm, and who gets washed up on an island and has to learn how to live in her new environment. The children are excited to find out what happens!

4S	Lexi	Emilia
4K	Saffron	Bailey

Year 5

This week, year 5 have focused on elements, mixtures and compound in science. We looked at the differences between the three, such as having different atoms and chemical bonds. To help understand this, we created 3-D models.

5F	Jake	Jayden
5W	Jake	Mia Rae

Year 6

Year 6 have been working hard preparing for SATs which are on the 9th of May. Remember there are lots of ways to help your child prepare at home: IXL, Maths Shed, Spelling Shed and TTRS. There are a few revision guides remaining if you would like to buy one from Miss Rich.

In Science, we submerged gummy bears in both salted and unsalted water to discover the effects of osmosis to help us explain how blood carries oxygen and nutrients around the body.
