

Reaside Academy Newsletter

GREENHEART
LEARNING PARTNERSHIP

23rd September 2022

Message from Mrs Carrier

As you will be aware, Monday 3rd October is a teacher day and I am keen to let you know what we will be doing. All staff will be receiving professional development training from a renowned expert in ICT use in schools.

This day will be spent looking at how we can improve the use of ICT across the curriculum, and forms the first part of our work this academic year on our Academy Improvement Plan.

Attendance

At Reaside, our attendance target is **96%**.

Best class attendance:

Week ending 9th Sept: 3OL with **98%**

Week ending 16th Sept: 5W with **98%**

Your child must be in school every day unless they are too unwell. A mild cough or cold symptoms does not mean they need to be off school.

Attached is a helpful guide to the common reasons your child will need to be off, or for which you will need to at least inform the school of an 'illness'.

Last term, three Reaside parents were issued with penalty notices for their child's poor continued attendance.

Office Messages

MCAS

All communication (texts, emails, letters) from school will be delivered to your registered MCAS account. Please ensure you have downloaded the app and have enabled push notifications to ensure you are notified when you receive a message from school.

Arrival/Collection: 8.50am start for
(gates open at 8.40)
3.20pm collection **except**
2.30pm Friday

What we've been up to...

Follow us on Twitter  for more: [@reasideacademy](https://twitter.com/reasideacademy)

Year 3

All of the children have settled in so well—it's like they've always been here! They have been enjoying learning a new language now they are in junior school—Spanish—and have learnt basic greetings and how to talk about how they are feeling. They are even answering the register in Spanish!

	Achievement Awards		Value Awards	
3D	Grace	Amica	Jake	Jenson
30L	Harvey	Ayla	Cassie	Maiton

Year 4

Year 4 are enjoying the start to their art for this term—exploring shading. We are experimenting how to apply pressure to achieve different effects. We have also been lucky enough to take part in special sports coaching from a coach from Birmingham City Football Club.

	Achievement Awards		Value Awards	
4M	Cece	Archie	Aram	Kyle
4S	Jayden	Joanna	Zayina	Joseph

Year 5

The children have immersed themselves into their first Science topic—Earth and Space—by exploring the different planets of the solar system. They have learnt about the environment and landscapes, and will eventually explore how and why the different seasons happen.

	Achievement Awards		Value Awards	
5J	Aaliyah	Harleigh	Trey	Jorja
5W	Alfie	Bobby	Megan	Insha

Year 6

Year 6 are really enjoying learning about Ancient Maya as their first topic. Last week we learnt about how they built houses in the rainforests, and buried the dead underneath them! We are looking forward to learning about more of the traditions of this ancient civilisation.

	Achievement Awards		Value Awards	
6B	Joel	Innaya	Jacob	Jayden
6K	Alfie S	Amelia	Alfie T	Caiden
