MESSAGE FROM MRS CARRIER

It's been another really successful year at Reaside.

Our children have taken part in amazing events such as sports tournaments, Young Voices, creating our very own Reaside allotment and some even had the opportunity to meet Prince William! We had a hugely successful Ofsted inspection in March and our Year 6 children had their hard work recognized in their SATs results in July.

I hope that you all have a wonderful rest over the summer and I'm already looking forward to welcoming you all back in September, as well as welcoming our new year 2 families! The leadership team at Reaside are already very involved in planning for the new academic year, which we are sure is going to be even better! Stay safe and have a wonderful Summer!

BREAKFAST CLUB

A reminder that our breakfast club runs every day from 8am. This is completely free! If you would like your child to attend, please book them in with the school office. We can not accept children just turning up on the day without prior notice.

DATES FOR YOUR DIARY

Please see Reaside Academy 2023/2024 Parent's Planner on the last page of the newsletter!!!

LET'S LOCALISE

We have started working alongside a charity called Let's Localise. They support schools with getting donations with anything from iPads, to books, to gardening equipment for the school. Please support us by joining the Let's Localise platform so that we can get our wish list out to as many people as possible!

ATTENDANCE MATTERS

Attendance Ladder

Our school attendance target is 96%.

Best classes attendance this week: 6K with an amazing 98%!

Whole school attendance figure year to date: 91.5%

Class attendance:

3OL – 95%

4S – 97%

5W – 84%

6K – 98%

3D – 92%

4C – 90%

5J – 87%

6B – 88%

Today we say goodbye to Mrs Larkin who is retiring from Reaside after 16 years of dedicated work with our children and families. Mrs Larkin has seen over a thousand children come through the school and seen a huge amount of change in that time including a new school building, worked for 7 Head Teachers and seen numerous staff changes.

Mrs Larkin has been an incredibly important member of staff at our school and will be a huge loss to us. On a personal level, we will all miss her sense of humour and her ability to always maintain a level-headed approach to life!

We wish her a long and happy retirement!

I am delighted to officially welcome Rosey Cole to the Reaside staff team.

Many of you will recognize Rosey as she has been working with us as a Pathfider worker for a few months, supporting both children and families.

Rosey has now been taken on by the school as a learning mentor. Within this role, she will be responsible for continuing to support our children and families as well as being responsible for attendance.

We are thrilled to have her join our team!

THE WONDERFUL THINGS WE ARE UP TO

Gardening Club have done an amazing job of planting and maintaining the allotment this year. We should have lots of lovely, fresh fruit and veg in September.

Year 3 over the past few weeks have been looking at a poetry unit in English. They have gotten really involved in these lessons and have been super creative when writing their own versions of the poems.

Some of them have shown a real flare for rhyme and all have produced work to be proud of!

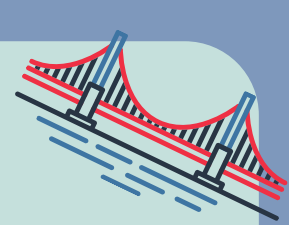

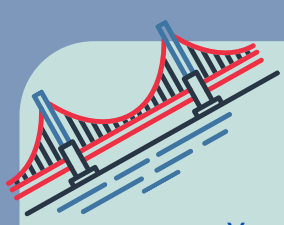

Year 4 on Monday 17th July, had a really cool workshop all about Fire Safety and what to do during a fire. Real Firefighters from Northfield Fire Station, Green Watch came to our school hall and taught us the dangers of fires. It was really scary to see how quickly the fire can spread in just 3 minutes. We learnt about how to make sure there are less hazards in a kitchen and also what to do if your clothes catch fire. You have to: 'Stop, Drop and Roll'.

-Maisie Cash 4C

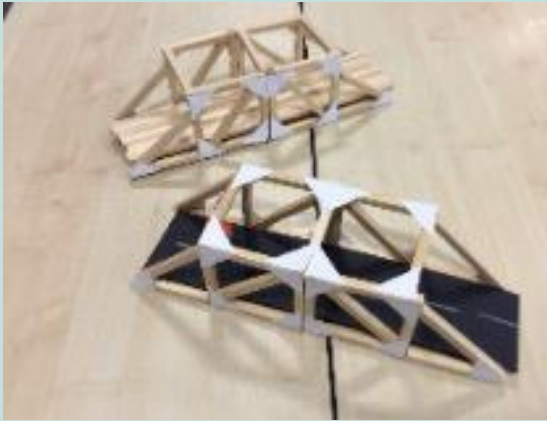

Another thing that came out of the workshop that we want to share with you is the importance of:

- Thinking about an escape plan in your home should there be a fire.
- and making sure you've got working smoke detectors which are tested every week

Year 5 built a wooden prototype of a truss bridge this week and have evaluated it, stating which materials would be best to use and how they could make it stronger.

Year 6 have been completing some Blitz Art during their final few theme lessons. The children used watercolours to create a fiery background and black card to silhouette a city landscape!
